**End Application:**

Gr7 weapons lift

**Mounting Position:**

Vertical

**Product Name:**

Pilot-to-open check valve

**Special Features:**

30 psi cracking pressure; extremely low leakage; buna-n seals; suitable for load locking applications

**Style Designator:**

Screw-in cartridge

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A530b0
