Overall Length:

18.000 inches

End Application:

E/i 8 inch 150 pound w.P., frp-3 valve assembly flanged ends, navy bronze, with gear operator; w/x nimitz class cvn

Plug Design:

Cylindrical

Plug Diameter:

8.000 inches

Port Quantity:

3

Material:

Copper alloy 922

Material Specification:

Astm b-61 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A500s0
