End Application:

4820-01-484-1532, ball valve, part number t0150-6

Port Quantity:

2

Port Diameter:

0.560 inches

Stem Accommodation Quantity:

1

Port Configuration:

Straight

Material:

Steel stainless

Material Specification:

Astm b479-316 cond a assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A500t0
