Mounting Flange Bolt Hole Quantity:

2

End Application:

E/i: deck box operator-valve.W/s: oliver perry class ffg.

Mounting Flange Diameter:

4.875 inches

Mechanical Connection Type:

Rigid shaft

Mounting Facility:

Semiflush

Output Shaft Diameter:

Between 0.466 inches and 0.468 inches

Product Name:

Deck box assembly

Special Features:

Uniflex 5 turn, stl welding slv, ball and plug valve.

Material:

Copper alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A525u0
