

View Online at <https://aerobasegroup.com/nsn/4820-01-492-9812>

Inside Diameter:

3.260 inches

End Application:

Valve anl

Special Features:

Meets hi-shock and vibration requirements as shown on lockheed electronics co test report number 7650-1-3818

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A512e0
