End Application:

4820-01-497-0665 valve, ball

Stem Accommodation Quantity:

1

Special Features:

Associated parts for this valve ball in addition to the end item are valve stem nsn 4820-01-497-0883 and valve seat nsn 4820-01-497-1052.

Material:

Copper alloy 922

Material Specification:

Qq-c-390 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A500t0
