End Connection Quantity:

3

Valve Operation Method:

Manual

Valve Size:

6.000 inches

Product Name:

6 in. Ddvtss diaphragm control valve with 85r actuator and hand operated device

Pressure Class:

150.0 pounds per square inch

Special Features:

Diaphragm control valve plate operator, 6.00 ips, 150 psi, flanged

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A502c0
