Flow Control Device:
Disk
Connection Style:
Flared (tube) all ends
Valve Operation Method:
Automatic
Connection Type:
Threaded external tube all ends
Mounting Position:
Horizontal
Style Designator:
Straight thru
Specification Data:
96906-ms28884 government standard
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A530b0
Mil-std (military Standard):
Mil-v-7899 spec.
