Bolt Hole Quantity:

6 all ends

End Application:

Shipboard system

Valve Operation Method:

Automatic

Flange Shape:

Round with holes all ends

Connection Type:

Flange all ends

Mounting Facility:

Bracket

Product Name:

5 inch check valve model no. 81m-3

Special Features:

Flanged connection per mil-f-20042, class 250

Material:

Nickel alloy flow control device

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A530b0
