Flange Diameter:

2.807 inches

Body Outside Diameter:

2.557 inches

Body Inside Diameter:

1.500 inches

End Application:

4820-01-506-8879 ball valve

Flange Seat To Disk End Height:

0.180 inches

Under Flange Height:

0.150 inches

Special Features:

Requires two per valve assembly

Material:

Plastic fluorinated ethylene propylene seat

Style Designator:

Plain flanged

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A15500
