End Application:

4820-01-506-9111 ball valve

Spherical Diameter:

2.491 inches

Valve Size For Which Designed:

1.500 inches

Pressure Class:

700.0 pounds per square inch

Valve Design Control Activity:

53711

Valve Model Number For Which Designed:

803-50010003-f

Special Features:

Material is titanium alloy, mil-t-9047 comp gal-4v

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A517w0
