Overall Height:

Between 0.470 inches and 0.530 inches

Overall Diameter:

Between 6.470 inches and 6.530 inches

Product Name:

Valve weight

Special Markings:

Cast p/n far side

Material:

Iron

Supplementary Features:

Center aperture 0.531 (threaded); material is gray cast iron class 30, astm a48

Thread Size And Series/type Designator:

0.625-11-2b unc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
