Maximum Operating Temp:

225.0 degrees fahrenheit

End Application:

Stop check valve

Valve Size:

0.250 inches

Maximum Operating Pressure:

6000.0 pounds per square inch

Product Name:

O-seal valve cartridge

Special Features:

Catalog no.68 "o" seal system

Material:

Copper alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A519r0
