**Overall Length:**

3.000 inches

**Valve Type For Which Designed:**

Check

**Valve Size For Which Designed:**

1.000 inches

**Product Name:**

Flange-type check valve body

**Port Quantity:**

2

**Valve Design Control Activity:**

03nm7

**Valve Model Number For Which Designed:**

Ics-c-20

**Special Features:**

Sae code 62 mounting pattern; flow rate 75 gpm hydraulic fluid; -22 to +175f temp range.

**Material:**

Steel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A518e0
