Overall Length:

3.000 inches

Valve Type For Which Designed:

Check

Valve Size For Which Designed:

1.000 inches

Product Name:

Flange-type check valve body

Port Quantity:

2

Valve Design Control Activity:

03nm7

Valve Model Number For Which Designed:

Ics-c-20

Special Features:

Sae code 62 mounting pattern; flow rate 75 gpm hydraulic fluid; -22 to +175f temp range.

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A518e0
