Overall Length:

0.880 inches

Overall Diameter:

Between 0.178 inches and 0.188 inches

Product Name:

Housing, plunger

Material:

Stainless steel

Surface Treatment:

Passivate

General Description:

Identify per mil-std-130 optional

Thread Size And Series/type Designator:

0.250-56 uns

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
