End Application:

4820-01-512-9870, pressure regulating valve

Product Name:

Control pilot, model pdapn-1x

Pressure Class:

250.0 pounds per square inch

Special Features:

Air connections are 1/2-20 unf-2b per ms16142; seawater connection is flanged per mil-f-10042 class 250

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A502c0
