## NSN 4820-01-516-5506

Fluid Pressure Regulating Valve - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4820-01-516-5506

Body Material:
Steel, corrosion resisting
Mounting Facility:
Panel
End Application:
Eurofighter
Special Features:
1-30psi; 2 ports; 0-400psi outlet gage; 0.750 inch port height, self relieving; pctfe seat material
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A21100
