Valve Operation Method:

Automatic

Connection Type:

Flange all ends

Special Features:

Valve type conventional; valve model mil-v-24332 liquid service with lever; spring range 11; spring material cres 316; inlet size 4-inch; outlet size 4-inch

Material:

Steel comp 316 stem

Material Specification:

Astm a216 assn standard 1st material response body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A046b0
