End Application:

4820-01-505-7901 safety relief valve

Pressure Rating:

150.0 pounds per square inch

Special Features:

Media: refrigerant hfc-236 or iso 46 poe lubricant

Material:

Rubber chloroprene class cr

Media For Which Designed:

Refrigerant

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A540d0
