**End Application:**

4820-01-505-7901 safety relief valve

**Pressure Rating:**

150.0 pounds per square inch

**Special Features:**

Media: refrigerant hfc-236 or iso 46 poe lubricant

**Material:**

Rubber chloroprene class cr

**Media For Which Designed:**

Refrigerant

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A540d0
