End Application:

Ball valve

Flange Shape:

Round all ends

Connection Type:

Flange all ends

Outside Diameter:

9.000 inches 2nd end

Thickness:

3.630 inches all ends

Flange Face Design:

Raised with curve and radius all ends

Special Features:

Flame screen open area is a min. Of 1.5 times pipe area

Material:

Bronze

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A046b0
