Plug Valve - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4820-01-523-2228

Flow Style:
Two-way two port 90 degree plug turn
Maximum Operating Temp:
450.0 degrees fahrenheit single response
Connection Style:
G42 flared (tube) all ends
Valve Operation Method:
Manual
Connection Type:
Threaded internal pipe all ends
Outside Diameter:
0.187 inches all ends
Special Features:
Fuel tube, control panel, diesel engine "bravo-12"
Material:
Rubber packing
Media For Which Designed:
Air 1st response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A046b0
