**End Application:**

Pump

**Opening Pressure Setting:**

300.0 pounds per square inch

**Special Features:**

Plt operating; flang mount steel; valve travel .75 inch; actuator; 55r reverse acting with aluminum yoke

**Material:**

Steel body

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A046b0
