Valve Discharge Flow Rate:

15.95 gallons per minute

End Application:

Alofts sonar system model 980 (v1)

Voltage In Volts And Current Type:

24.0 dc

Product Name:

Valve, proportional directional, ng10, direct operated 60l/min

Special Features:

Fpm seals suitable for mineral oil

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A046b0
