| End Application:                  |
|-----------------------------------|
| Cvn nuclear reactor boundary area |
| Valve Type:                       |
| Gate                              |
| Valve Size:                       |
| 4.000 inches                      |
| Product Name:                     |
| Gland plate                       |
| Material:                         |
| Steel                             |
| Shelf Life:                       |
| N/a                               |
| Unit Of Measure:                  |
|                                   |
| Demilitarization:                 |
| No                                |
