Overall Length:

0.910 inches

End Application:

Kc-135 aerial refueling boom stowage shock absorber assembly

Product Name:

Housing-air valve filler cap hydraulic reservoir

Port Quantity:

2

Special Features:

Altered item from part number 69-8949

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A518e0
