End Application:

Hx

Product Name:

Cover and outlet seat ring

Special Features:

Used on 2-1/2 inch 3 way solenoid trip valve, 150 psi

Material:

Nickel alloy body

Material Specification:

Astm b 164, class b national specification single material response body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A15500
