Flow Control Device:

Ball

End Application:

4820-01-535-8798; 4820-01-535-8753; inverted vent check valve, 2.5" (flanged or threaded)

Valve Operation Method:

Automatic

Valve Size:

2.500 inches

Product Name:

Float

Special Features:

Float 3.000 inch diameter

Material:

Copper flow control device

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A046b0
