**Flow Control Device:**

Ball

**End Application:**

4820-01-535-8798; 4820-01-535-8753; inverted vent check valve, 2.5" (flanged or threaded)

**Valve Operation Method:**

Automatic

**Valve Size:**

2.500 inches

**Product Name:**

Float

**Special Features:**

Float 3.000 inch diameter

**Material:**

Copper flow control device

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A046b0
