Flow Control Device:

Ball

End Application:

4820-01-535-8888; inverted vent check valve, 3" flanged

Valve Operation Method:

Automatic

Valve Size:

3.000 inches

Special Features:

Float 4 inch diameter

Material:

Copper flow control device

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A046b0
