Body Material:

Bronze, astm b61

Flow Control Device:

Diaphragm and stem and integral disk

End Application:

Valve relief .75ips 2t3psi flange bronze

Valve Size:

0.750 inches

Product Name:

3/4" cdhs-20m presure differential relief valve (seawater service)

Specification Or Standard:

3/4" cdhs-20m model

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A21100
