End Application:

New construction lcs1

Product Name:

Disc

Special Features:

Next higher assembly: 4810-01-540-0818, p/n 27ca13-f40/s4-492052-ke; application: non-compressibles

Material:

Stainless steel

Material Specification:

316 ss mfr ref single material response

Media For Which Designed:

Gas

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A539y0
