Vent-check Valve - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4820-01-540-2957

Flow Control Device:
Ball
End Application:
New construction lcs1
Valve Operation Method:
Automatic
Flange Shape:
Round with holes all ends
Connection Type:
Flange all ends
Valve Size:
2.500 inches
Face To Face Distance:
8.250 inches
Flange Face Design:
Plain all ends
Product Name:
In line vent valve
Special Features:
40 mesh flame screen included.
Material:
Copper alloy body
Style Designator:
Straight through flanged ends
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A530b0
