Overall Height:

0.375 inches

Body Outside Diameter:

2.125 inches

Body Inside Diameter:

1.250 inches

End Application:

4820-01-543-8356; w/s ssn74

Seat Radius:

0.469 inches

Seating Surface Shape:

Radial

Product Name:

Seat

Special Features:

Material zytel 45 hsb, as manufactured by e.I. Dupont of wilmington, delaware; use only with ball plated with poly-ond

Material:

Plastic

Material Specification:

Zytel 45 hsb mfr ref single material response

Style Designator:

Plain

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A15500
