**End Application:**

Ground support equipment

**Thread Location:**

Internal

**Connection Type:**

Threaded

**Product Name:**

"high turbo" valve

**Special Features:**

With viton seat and cup

**Material:**

Brass

**Material:**

Copper alloy

**Quantity:**

1

**Thread Size And Series/type Designator:**

1/2" fip

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T313-n
