**Connection Size:**

0.625 inches

**Product Name:**

Intermediate couplings for rigid rod system

**Special Features:**

Vcic-1000 series weld type for rigid rod; spherical weld collar; without woodruff keys; used in applications where a system must pass through a bulkhead or other watertight barrier; includes grease fitting in body of unit

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A521g0
