Flow Control Device:

Needle

End Application:

1740-01-327-6831 hand truck

Valve Operation Method:

Manual

Body Material:

Steel or stainless steel

Product Name:

Soft seat instrument grade needle valve

Seat Material:

Plastic acetal

Stem Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A502c0
