End Application:

Valve, hull/backup 3.00nps 700psi cuni flanged

Criticality Code Justification:

Zzzy

Product Name:

Parts kit, angle valve

Reference Number Differentiating Characteristics:

Material controlled iaw navsea 0948-lp-045-7010 material control standard for level 1 items

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
