**End Application:**

Recirculating bromine system standard 169092; recirculating bromine system non-magnetic 169093

**Valve Quantity:**

3

**Product Name:**

Three tank valve assembly

**Special Features:**

Electrical operation; 15 gallons per minute

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A50410
