End Application:

New construction lhd8

Product Name:

Valve seat

Special Features:

Next higher assembly: 4320-01-548-2300, reciprocating pump t2/sppb/ne/ne/sbn; 4 valve seats required per assembly

Material:

Stainless steel

Material Specification:

Stainless steel mfr ref single material response

Style Designator:

Plain

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A15500
