End Application:

Astute 290 hp

Product Name:

Valve stop globe

Special Features:

0.250 id fem x 0.250 id fem diaph pkls

Material:

Copper alloy

Material Specification:

Mil-v-20064 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530b0

Mil-std (military Standard):

Mil-v-20064 spec.
