**End Application:**

2420-01-538-8287 tractor, wheeled, high speed

**Product Name:**

Non-return valve

**Special Features:**

Material: housing is synthctic resin body (polybutylene-terephthalate); temp range: 0 to 60 degrees c; mounting: line fitting; non-return valve; pressure: -0.75 to + 10 bar

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A530b0
