End Application:

2420-01-538-8287 tractor, wheeled, high speed

Product Name:

Non-return valve

Special Features:

Material: housing is synthctic resin body (polybutylene-terephthalate); temp range: 0 to 60 degrees c; mounting: line fitting; non-return valve; pressure: -0.75 to + 10 bar

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530b0
