End Application:

An/wld- (v) mine hunting sys; emergency hydraulic manifold assembly 7386147 (53711)

Body Material:

Steel

Product Name:

Directional flow valve, modified

Special Features:

Modified parker hannifin valve dh103c04

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A502c0
