Overall Length:

5.340 inches

End Application:

Hydraulic compensator assembly (53711) 7386189

Product Name:

Ball valve no 5 identification plate

Special Markings:

Bv-5; closed normal ops; aux comp open; main comp open

Material:

Aluminum

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
