End Application:

New construction lhd8, hydraulic power unit assembly 2319a000 (0bj09)

Body Material:

Aluminum alloy

Product Name:

Flow control valve, pressure compensated

Special Features:

Aluminum, buna-n; mounting hole diameter 0.53 inch; mounting hole quantity type 1; line mount body type

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A502c0
