Maximum Operating Temp:

210.0 degrees fahrenheit single response

End Application:

Heater, electric water p/n msh175-0-40cnt5 onboard 420 ft (wmsl-750) deep water national security cutter

Connection Type:

Threaded external pipe all ends

Product Name:

Opening t&p relief valve

Special Features:

0.750 in. Nom fnpt

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A046b0
