End Application:

4935-01-136-0233, shop equipment, guided missile system

Product Name:

Dual action breather valve

Surface Treatment:

Anodize and oxide

Supplementary Features:

Pressure setting is 0.5 and vacuum setting is 0.05

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A046b0
