**End Application:**

4935-01-136-0233, shop equipment, guided missile system

**Product Name:**

Dual action breather valve

**Surface Treatment:**

Anodize and oxide

**Supplementary Features:**

Pressure setting is 0.5 and vacuum setting is 0.05

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A046b0
